Title: FIRE EXTINGUISHER 10-YEAR LIFE

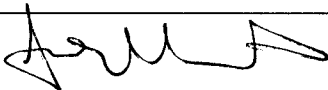

The life of the FFE 0.7lb capacity fire extinguisher (green body) has been established as a maximum of 10 years (less if found to be in an unsatisfactory condition at periodical inspection).

Refer to fire extinguisher placard. Manufacturers recommended advice is weight check at least once a year and discard if weight does not meet original manufacturers recorded weight by +/- 10%, or discard extinguisher if life passes 10 years from the manufactured date.

Replacement fire extinguisher can be obtained from SAL, order stock code 126-60-026.

An alternative Amerex fire extinguisher at 1.5 Kg, (red body), lited as on condition, is available as a retrospective modification from SAL as Modification Number M493.

For replacement parts or Mod Bulletin M493 and Mod Kit, please contact SAL Customer Service Department.
